Out at Camp Greenwood we're getting ready for another amazing summer season!

If you're looking for a mini-mission opportunity, here it is!

Camp Greenwood holds its Spring Clean-Up Day as a way of getting camp transformed from winter slumber to be ready for summer action! Work will include raking paths, cleaning cabins, removing shutters, putting up screens and doing some minor repairs. There is a job for every one and every ability! No special skills are needed.

It is refreshing to spend a day at camp after a cold winter. You'll meet fun co-workers, have a great camp meals and serve a worthy cause. Most importantly, many hands will make light work for everyone!

Plan to bring any personal work items and some clothes to get dirty.
